FAVORS COL. KNAPP.

Editor Register.—Permit me to "second the motion" of "Soldier" in presenting, in his communication in the REGISTER of the 13th inst., the name of Col. Lyman E. Knapp for town representative.

While a representative should be chosen for his worth and general fitness for the position regardless of whether he was a soldier or not, it does seem to me very becoming that a soldier should be given the office the ensuing term, since no soldier has represented the town as yet and because we have in Col. Knapp one so well qualified. He is at the right period in life to do efficient work. His liberal education, good judgement and large experience in public affairs would insure the town's having one of the most prominent legislators. His views on the Edmunds and the prohibition and other questions, it seems to me, would unite the Republican and Prohibition parties of the town and tend to prevent any feud arising among the citizens of our peaceful town, a thing so much to be desired by us all.

In this communication I do not at all design to disparage any others whose names have been presented, but to submit to the voters of the town the foregoing opinions, trusting that they may be sanctioned at the ballot-box by a large majority for Col. Lyman E. Knapp for town representative.

CITIZENS.

DEMOCRATIC COUNTY CONVENTION.

The Democrats of Addison county held a largely-attended mass convention at Bristol on Saturday last. At about 11 o'clock A. T. Stapleton of Middlebury, chairman of the county committee, called the convention to order. He suggested as temporary officers of the convention Jas. E. Stapleton of Middlebury, chairman, and M. E. Sprague of Weybridge and D. A. Realeau of New Haven, secretaries. Upon taking the chair Mr. Stapleton thanked the convention for the honor shown him and in a feeling manner eloquently referred to the great losses the party had sustained the past year in the death of so many of its most noted leaders, and especially Mr. Tilden. The temporary organization was made permanent.

On motion of M. E. Sprague a committee of two from each town represented was named by the chair to present to the convention a list of county officers and of a county committee, as follows: Weybridge, M. E. Sprague, Geo. R. Thorne; Addison, C. H. Taylor, Rector Gage; Bristol, Ira D. Fletcher, E. Nichols; Bristol, W. W. Rider, W. W. Needham; Cornwall, L. S. Wright; Ferrisburgh, Patrick Casey; Lincoln, John Lonergan, Chas. Wakefield; Middlebury, A. T. Stapleton, Henry Grant; Monkton, J. A. Beers, Jos. Rivers; New Haven, C. Gordon, Geo. F. Washburn; Ripton, W. Galvin, Albert Hunt; Starkboro, J. M. Tyler, Myron Small; Vergennes, J. H. Donnelly, A. L. Vitrum.

W. W. Rider moved a committee on resolutions to be appointed by the chair, and the following gentlemen were named: W. W. Rider of Bristol, Capt. John Lonergan of Lincoln, A. L. Vitrum of Vergennes, C. H. Taylor of Addison, L. Silas Wright of Weybridge, Wallace Eggleston of Bridport, Geo. F. Washburn of New Haven.

At 12:30 the convention adjourned until 2 o'clock. Upon reassembling M. E. Sprague, in behalf of the nominating committee, presented the following ticket, which was approved:

For Senators—Patrick O'Neill of Bristol, J. E. Parker of Whiting.

For Assistant Judges—Rector Gage of Addison, Clark W. Huntley of Bristol.

For State's Attorney—Jas. E. Stapleton of Middlebury.

For Sheriff—Henry C. Hathorn of New Haven.

For High Bailiff—Chas. E. Geo. of Ripton.

For Judges of Probate—Addison district, L. Silas Wright of Weybridge; New Haven district, Myron Small of Starkboro.

County Committee—A. T. Stapleton (chairman) of Middlebury, Geo. R. Thorne, secretary of Weybridge; John H. Donnelly of Vergennes, Henry Bissell of Shoreham.

W. W. Rider for the committee presented these resolutions, which were adopted:

Resolved. That we the Democrats of Addison county in convention assembled do hereby heartily endorse the policy and action of our present administration in national affairs.

Resolved. That we do hereby endorse the action of our State convention held at Montpelier, July 22, 1886, and pledge our support to the candidates of said convention and those placed in nomination by this convention today.

Resolved. That in the death of Hon. Samuel J. Tilden, we recognize the loss of a great statesman and one who has always been faithful to the best interests of the republic.

The chairman appointed a committee consisting of Capt. Lonergan, J. H. Donnelly and A. T. Stapleton to conduct the speaker of the day to the platform—P. M. Meldon, Esq., of Rutland, Democratic candidate for lieutenant-governor. Mr. Meldon spoke for about an hour in an impressive manner. All spoke very highly of the address. Several Republicans were present. The speaker was

often applauded. Capt. John Lonergan and W. W. Rider, Esq., also addressed the convention.

The Bristol cornet band was in attendance in the afternoon and discourse fine music.

A CARD OF THANKS.

We wish through these columns to thank our neighbors and friends for their help and many kindnesses to us in our movement and for the flowers so generously provided.
